TABLE TOPPER or RUNNER
Decorate your table with a table topper or a table runner. Depending on the size and shape of your table, you can determine the dimensions you require.

• Square table topper: 36” X 36” or Turn the quilt so the corners are pointing to the sides of the table.
• Table Runner: 12”-18” x 40”-72” Make a table runner to lay down the center of a dining table. Lengthen the table runner for longer tables.

Project Linus recommends blankets measuring 30” X 30” or larger. The needs of local hospitals have led to smaller units in this area.
